

Consumer Services Cluster

Cosmetology Program

PROGRAM OF STUDY OVERVIEW:

The Careers in Cosmetology Program prepares individuals to care for and beautify hair, skin and nails. Students are instructed in the art and science of cosmetology as well as all aspects of the industry. Hair services taught include giving shampoos, rinses, scalp treatments, styling, setting, cutting, hair coloring and lightening, permanent waving and chemical relaxing. Skin procedures include facials, make-up and hair removal. Nail techniques include manicures, pedicures, artificial nail enhancements, advanced nail techniques, and foot/leg and hand/arm massage. Emphasis is placed on hygiene, safety and sanitation as well as State Board of Cosmetologists' rules and regulations. Salon management is an integral part of the classroom and clinical experience.
