Proceeds from this tournament will support the student organizations: SkillsUSA and Future Farmers of America (FFA). These organizations work in partnership with students, teachers, and industry representatives to ensure America has a skilled work force. Together they provide quality educational experiences for students in leadership, teamwork, citizenship, and character development and build to reinforce self-confidence, work attitudes, and communication skills. These organizations emphasize total quality at work, high ethical standards, superior work skills, life-long education, and pride in the dignity of work. They also promote involvement in community service.
