The image shows two parts of the Schoology interface. On the left is the 'Sign up for Schoology' form. It features a header with the title and a 'Back' link. Below the title is a unique code 'T28N-8HWV-C274'. The form has input fields for 'Jane' and 'Doe' (last name), an email field with 'name@example.com', and two password fields. There are two checkboxes: 'Subscribe me to the Schoology Exchange blog' and 'By clicking Register, you are agreeing to our Privacy Policy and Terms of Use'. A large blue 'Register' button is at the bottom. On the right is a user profile dropdown menu. It has a header with a notification bell, a profile picture, and the text 'Parent Name' with a dropdown arrow. The menu items are: 'Parent Name' with a green checkmark, 'Child's Name' with 'Pocomoke Elementary' below it, 'Add Child' with a plus icon, 'Your Profile', 'Pocomoke Elementary', 'Settings', and 'Logout' with an arrow icon.

6. You also have the option to associate additional children using Schoology with this account. To associate additional children, click the down-facing arrow in the top right of your Schoology account, select Add Child, and enter the Parent Access Code of your other child/children.

The image shows a dialog box titled 'Add Child' with a close button (X) in the top right corner. Inside the dialog, there is a text input field labeled 'Child Code: *'. At the bottom of the dialog, there are two buttons: 'Use Code' and 'Cancel'.
