

12th Annual Worcester Technical High School
SkillsUSA, FFA, and FBLA Golf Tournament
Saturday, October 9, 2021
Ocean Resorts Golf Club, Berlin, MD

Golf Tee Sponsors: Support for the Worcester Technical High School Twelfth Annual Golf Tournament is needed. A professionally prepared sign advertising your company, business, or group will be placed on one of the tee boxes for all participants to see. Our graphic arts students prepare the signs and I assure you that you will be impressed with the results. We believe that this represents a legitimate opportunity for your business or group to gain positive exposure while supporting a very worthwhile cause. Tee box sponsorships are \$100.00 each. The students at Worcester Technical High School wish to thank you for your generous support. Please fill out the information below for the sign or attach a business card to this form along with payment. Thank you
