Dear Parent, Business, and Community Partners,

We are excited to bring you the details surrounding Worcester Technical High School's 13<sup>th</sup> Annual Golf Tournament. First, we would like to sincerely thank you for your past support and provide you a school update. WTHS SkillsUSA Chapter was awarded the 2022 Maryland Chapter of Excellence Award. We are of course extremely proud of all our students, many of whom participate in SkillsUSA and Future Farmers of America (FFA), local, state, and national competitions. Twenty nine (29) of the 56 students who participated in the Maryland State SkillsUSA Competition, placed in the top 3. The 11 students who won state gold medals moved on to the National SkillsUSA Competition as well as one National Voting Delegate. There, 4 students placed in the Nation's Top 10. Students in the Agriculture program, who participate in FFA, brought home numerous local and state awards earned in a variety of competitions held throughout the year. Finally, WTHS is proud to announce that PLTW programs and nearly every trade program is at maximum enrollment!
