

O.C. LIONS CLUB

2023 SCHOLARSHIPS

The Ocean City Lions Club is pleased to offer 4 scholarships this year to deserving Stephen Decatur students:

Two S.D.H.S. Scholarship for \$3000 each

(Nominations made by S.D.H.S Guidance Office)

One Worcester Tech Scholarship for \$3000

(Nominations made by W.T.H.S. Guidance Office. Also, must be an S.D.H.S. student)

One Al Berger/Leo Club Scholarship for \$500

(Nomination made by Leo Club Supervisor)

These scholarships are for the student's first year in college and can be used in 2 different ways:

- Tuition – A copy of the tuition bill should be sent to: O.C. Lions Club, p.o. box 71, Ocean City, Md. 21843 or emailed to me at swsurfs@gmail.com and we will send the check for the full amount to the school.
- Line of Credit – For purchase of various school supplies, books, computer hardware/software, etc. The student will have to purchase these items first but send us a copy of the receipts and we will reimburse them from the scholarship account. This line of credit is only good for the first year of college.

The O.C. Lions Club would like these scholarships to be more “need based”; directed to the students that would not be able to attend college without assistance. Obviously, the candidates should be strong academically and active with extracurricular activities, but we are looking for the students that are having to overcome some hardship to attend college and fulfill their dreams. That is why we rely on you to recommend the candidates to us, since you know these students best. You can email me at swsurfs@gmail.com with your recommendations prior to May 1st. Thank you for assisting us with your nominations once again.

Sincerely,

Sean A. Williams D.C.
Scholarship Chairman
